*Proceedings of the Madras Government, Revenue Department,
27th April 1868.*

No. 600. Read the following Proceedings of the Board of Revenue, dated 7th April 1868, No. 2,604.

Read the following letter from the Collector of Malabar, to the Secretary to the Board of Revenue, dated on Circuit, Tirtala, 25th March 1868, No. 74:—

1. I have the honor to submit the enclosed estimates for sanction. The first is for an old line on which the bridges have quite gone. It will be retraced where necessary to render the gradients fit for cart traffic, and its re-construction will be a very great boon to the country. The people especially complain of the want of the bridges.
