Proceedings of the Madras Government, Revenue Department,

14th January 1863.

No. 217. Read the following letter from the Officiating Inam Commissioner to the Secretary to Government, Revenue Department, Fort St. George, dated Madras, 11th January 1863, No. 4 :—

1. I have the honor to submit, for the orders of Government, an application from Deputy Collector C. Parthasaradhi Iyengar, now employed in conducting the Inam inquiry in the District of Godavery, for three months' privilege leave to proceed to Madras. The application is made on the ground of severe illness, and is supported by a medical certificate from the Zillah Surgeon of Rajahmundry.

2. The Examiner of Claims has certified that he is eligible to the leave solicited.

3. C. Parthasaradhi Iyengar having telegraphed to me that he was becoming rapidly worse, I have permitted him to quit the district for Madras, leaving his establishment and records in charge of the Tahsildar of the talook in which he is now working. During the last seven years he has not obtained any leave, with the exception of a few days' casual leave occasionally. I therefore request the permission of Government to grant him the leave solicited, and to make the following arrangements for the prosecution of his duties.

4. There are now two Deputy Collectors employed in the District of Krishna. A large number of the "Peradus" within the division allotted to Deputy Collector Venkatachellam has been since discovered not to fall within the category of Inams. The number of the remaining tenures requiring to be settled in his division is not large, and I think that the work of the whole district can be accomplished by one Deputy Collector; I propose therefore, with the permission of Government, to direct Deputy Collector Venkatachellam to take up the work of the whole district, as was originally intended, and to send the other Deputy Collector Sivasankara Mudali to the District of Godavery to take up Parthasaradhi Iyengar's work, transferring his work in the Krishna District to Venkatachellam.

5. Deputy Collector T. Krishna Row, attached to my Office, is about leaving to take up the settlement of the undisposed of tenures in the Madras District, and from what I know of the amount of work before him, there is no prospect of his re-joining my Office in less than six or seven months. As his absence will entail arrears in the Central Office, I purpose, on the expiration of C. Parthasaradhi Iyengar's leave, to employ him in the Central Office in Krishna Row's place. When Krishna Row completes his work in the Madras District, I shall propose such arrangements as circumstances at that time may require.

6. The above arrangements involve no additional charges beyond what have been provided for in the Budget.

No. 218. ORDER THEREON, 14th January 1863, No. 112.

Miscellaneous.

The Government authorize the Officiating Inam Commissioner to grant Parthasaradhi Iyengar the leave to which he is entitled, and approve the arrangements proposed in consequence.

Statement

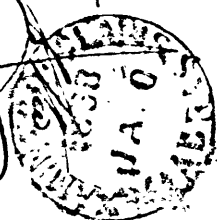

N. Parthasardya Iyengar Deputy Collector attached to the Nam Commission presented himself to me about ten days ago suffering from difficulty of respiration, Oedema of the lower extremities, and General debility, the result of a residence of ten months in this District. He has not been subjected to any treatment by me as he prefers to obtain medical assistance but I think he will now likely be benefited by a change to his native place Madras then by medicine at present and I have therefore given him the accompanying Certificate.
