*Proceedings of the Madras Government, Revenue Department,
28th April 1868.*

No. 616.

ORDER THEREON, 28th April 1868, No. 1,135.

Miscellaneous.

1. This statement is submitted by the Superintendent of the Chinchona Plantations apparently with reference to the Order of Government dated 24th January 1868, No. 206. It should have been accompanied by an explanatory letter.

2. In the Budget for 1868-69, the late Acting Superintendent included provision for an additional Assistant Superintendent on the salary of Rupees 125 per mensem, and proposed an increase of Rupees 10 to one of the Overseers in the receipt of Rupees 40 per mensem, but both these items were struck out in the absence of any explanation as to the necessity of the former, and the latter being one which should be submitted separately and distinctly from the Budget, with the necessary particulars as to the Overseer's service, &c.

3. Mr. Batcock explained in his letter of 2nd December, that the Assistant Superintendent had formerly been employed on the Pykara plantations, but on their being united with Neddivuttum, had been transferred to the Dodabetta Plantation, and that the Overseer has been employed in the Department for seven years, and has been attentive to his duties.

4. The Government, under the impression that both the items constituted new expenditure, desired the Superintendent to submit a tabular statement for transmission to the Government of India, but this statement recorded above shews that authority is required as regards the permanent establishment for only Rupees 10, the increase to the Overseer. This small sum can be met out of savings in the Budget, and sanction is granted for it accordingly.

5. The Assistant Superintendent above referred to, appears to be one of two on the same rate of pay included in the temporary establishment. The Government observe that this establishment, as entered in the statement now furnished, is altogether different from that for which provision was made in the Budget for 1867-68, as shewn below, although one Assistant Superintendent on Rupees 125 is included in the Budget provision for permanent establishments:—
