Proceedings of the Madras Government, Revenue Department, 28th April 1868.

No. 620. Read the following Proceedings of the Board of Revenue, dated 28th March 1868, No. 2,288.

Read the following letter from the Collector of Salem, to the Secretary to the Board of Revenue, dated Oomalur, 20th January 1868, No. 13 :—

1. I have the honor to request the Board will be good enough to obtain the sanction of Government for taking the lands specified in the enclosed list under Act VI. of 1857.

2. The lands in question are required for the bed of a new tank about to be constructed at Valayamahadavy, in the Ahtur Talook. The lands measure Acres 45-1-0, assessed at Rupees 68-14-10, and they have been valued by the Tahsildar of Ahtur at Rupees 710-12-0. The owners of the lands have declined to give up their lands on any terms, and I am, therefore, compelled to make this application. Of the 41-1-0, 23-30-10 is Inam. It belongs to one Nattado Sahib, and was purchased by him with some other 80 acres in one lot at a Court auction. He is said to have paid Rupees 7,000 for the whole lot. I have seen the land, and it is of inferior quality, most of it. I believe, myself, that he made the purchase with a view to objecting to the tank being constructed. He imagined that by so doing he would be able to get all available land, under a private tank he has made at no great distance, taken up. He is the chief objector, and it is mainly by his persuasion that many of the others have raised opposition.

3. The construction of the Valayamahadavy tank was sanctioned by Government Order of the 5th December 1863, No. 3,537.

Statement shewing the lands to be added to the not-to-be-proposed land in the villages of Valayamahadavy and Manjany of the Ahtur Talook, and which the holders refuse to give up for the water-spread of the tank.
