Proceedings of the Madras Government, Revenue Department,
28th April 1868.

No. 628. Read the following letter from the Officiating Conservator of Forests, to the Secretary to Government, Revenue Department, Fort St. George, dated Camp at Ootacamund, 17th April 1868, No. 692 :—

With reference to the Government Order No. 858, of the 1st instant, I have the honor to inform you that the 5,000 Rupees required for the ghaut road up to the Anamallay forests can most probably be met from the sum sanctioned for working charges for that range ; but if there is any difficulty in paying the amount from the Anamallay allotment, the whole or a portion of it can be met by a transfer from the estimate for the Wynaad range.

No. 629. ORDER THEREON, 28th April 1868, No. 1,141.

Forests, No. 23.

1. The Government authorize the Acting Conservator of Forests to place Rupees 5,000, from the source indicated, at Lieutenant Gosling's disposal for the proposed road from the foot of the Anamallays to the head of the timber slip.

2. It will be determined in the Department Public Works whether the services of an Overseer can be spared for the work.
