Proceedings of the Madras Government, Revenue Department, 29th April 1868.

No. 662. Read the following Proceedings of the Board of Revenue, dated 18th April 1868, No. 2,877.

Read the following letter from the Acting Collector of South Canara, to the Secretary to the Board of Revenue, dated on circuit at Panja, in Uppinangadi Talook, 17th February 1868, No. 183:—

1. With reference to the Notification* of the Government of India, dated the 16th September 1867, defining the boundary between the districts of North and South Canara, and the Order† of Government noted in the margin, directing that permanent boundary marks should be erected on the line, I have the honor to submit, herewith, an estimate, amounting to Rupees 700, of the probable cost of putting up the above marks, and request that the sanction of Government may be obtained for the same.

* Published at page 880 of "Fort St. George Gazette."

† 9th October 1867, No. 2,369.

2. There is no special provision in the Budget from which the proposed expenditure can be incurred, but there will be sufficient general savings in the district at the end of the year, from which it can be met.

3. As the work cannot be delayed, I have engaged contractors to prepare and supply me the required granite stones, to be put up on the boundary line, from the nearest place where they are obtainable, and they will probably be ready within two months hence. As, in the meantime, some advance to the workmen is unavoidably necessary, I beg to state that I shall advance a sum not exceeding Rupees 300 on emergency, and, in anticipation of the sanction of Government, debiting the expenditure to "Advances Repayable" until finally adjusted to the proper head of account on the completion of the work.

4. Half of the total expenditure will, I presume, be eventually borne by the North Canara District.

ENCLOSURE No. 1.—Estimate.

1. The Board approve of the estimate, amounting to Rupees 700, and submit it for the sanction of Government.

2. There will doubtless be ample savings at the end of the year for adjusting any advances which the Acting Collector might consider it necessary to make. A moiety of the cost should be paid by the Bombay Government.

No. 663. ORDER THEREON, 29th April 1868, No. 1,158.

Miscellaneous.

1. The estimate is sanctioned.

2. The Accountant General will give the necessary instructions for the adjustment of the charge.
