Dr. Keeper cannot be too much credited without sufficient evidence in each case according to his own showing. She has to visit & report his position. Not to be drained to be separated from the influence of friends &c is likely to prove detrimental to his progress. I suppose Dr. Kl. Govt. must be asked to explain - D.K.

I think so. She is not the first specimen of Dr. McLeod's trenchant style in judging his subordinates. WOH

Kenny, late an Overseer on the "Hooker" Cinchona Plantation, under the direct orders of Mr. Dawson, the Assistant Superintendent of the Neddiwuttum Plantations, to whom the Petition was referred, I have the honor to enclose that Officer's observations on the same.

FOR ORDERS.

It is reported that Mr Kenny may have been absent from duty a day in excess of the "two or three days" for which leave had been granted to him by Mr Cross: opening that there was the case, and that punishment was really necessary he ought to have been punished for such excess absence, and not for the injury caused by an accidental conflagration, the result of a fire which Mr Cawston had ordered the Deputy to light on the morning of the 26th February, at which time Mr Kenny had not returned to duty.

Mr. Kenny entered the service of Government as Assistant Cinchona Planter on the 1st January 1866 on a salary of Rupees 100 per mensem. He was promoted to the grade of Cinchona Planter on the 1st January 1867 on a salary of Rupees 150 per mensem. He was promoted to the grade of Assistant Superintendent of Cinchona Plantations on the 1st January 1868 on a salary of Rupees 200 per mensem. He was promoted to the grade of Superintendent of Cinchona Plantations on the 1st January 1869 on a salary of Rupees 250 per mensem. the dishonesty, on these grounds, with Mr Kenny's evidence - in other words discrediting him - from the Bench. Mr McCool has made Mr Kenny responsible for conduct with which the latter is not visibly chargeable.

It seems some thing that as long as Mr McCool has exercised his powers of superintendence individually and with unfettered control, and ended on Mr Kenny's retirement from which he has been summarily removed -

The Revenue Secretary has acted illegally in refusing an appeal to the Board. Mr Kenny has only in every reasonable conduct and has acted correctly in his position.

Mr Secretary does not at all trust Mr Kenny's explanation

which is that the Appeals that he was discouraged by the Criminal during his absence from the plantations as been practised by the last year.

I would tell Mr Secretary that the Govt. consider the dismissal of Mr Kenny [illegible] an arbitrary & unauthorized measure. As Mr Kenny does not wish to go back it is hardly worthwhile considering the question of his reinstatement.

I think the disrespect W. Keary
was in the latter at not objected by
his conduct to me when I first waited
visibly by Mr Mc Ivor when
the actual accident occurred. I
think, however that Mr Keary when he
learned his relation if clear from
Mr Mc Ivor should have sent to
the Plantation to state that he
could not return with such a sick
a time. When he left the Plantation
he said he would be back next
day. When he attended his intention
he should have intimated it to
his subordinates or foreman

under date the 30th April 1868.

Read the following papers.

From Mr. A. S. Kenny -

Submitting that the charges brought against him of carelessness and neglect by the Supt. Govt. Chinchona Plantations are unfounded, & soliciting that they be enquired into & the charges be withdrawn from the Supt. Govt. Chinchona Plantations.

(Here enter 2d. 30th April 1868) -

Letter Mr. A. S. Kenny's petition with Lawsons & Lyons observations thereon.

(Here enter 16th do. No. 361)

The Govt. consider that Mr. Kenny was not responsible for the injury sustained by the Cinchona nurseries on the

the occasion in question
but that it would have
been better had he
intimated to the native
minister that his absence
from the plantation
would be prolonged
beyond what originally
was intended. They cannot
doubt that he consi-
dered his absence to
have been sanctioned
by Mr. Parker.

Under these cir-
cumstances the Govt.
deem Mr. Kenny's dis-
missal to have been
precipitate & not jus-
tified by the facts of
the case - but as he
does not wish to re-
join the Dept., they will
not direct his reinstate-
ment in his former e-
position.
