Proceedings of the Madras Government, Revenue Department,
30th April 1868.

No. 703. Read the following letter from the Accountant General, to the Secretary to Government, Revenue Department, dated Fort St. George, 24th April 1868, No. 20:—

With reference to the Proceedings of Government in the Revenue Department, No. 964, dated the 15th instant, I have the honor to state that it is not possible to say, at this early period of the year, whether sufficient savings will accrue in the Budget estimate of the Forest or other Departments to cover the large disbursement of Rupees 30,000, referred to in the abovementioned Proceedings: and unless the expenditure in question be of a nature that could be deferred for a time, I am unable to point out any source from which it can be met. The only course, therefore, seems to me to be to apply to the Government of India, through the Financial Department, for an additional grant.

No. 704. ORDER THEREON, 30th April 1868, No. 1,176.

Forests, No. 25.

1. The Government observe that the charge appears to have been incurred by the Collector of Malabar in December 1867—(see G. O., dated 2nd April 1868, No. 872).

2. The Accountant General is requested to state whether, under these circumstances, any special grant needs to be obtained from the Government of India.
