*Proceedings of the Madras Government, Revenue Department,
1st May 1868.*

No. 3. Read the following Proceedings of the Board of Revenue, dated 17th April 1868, No. 2,827.

Read the following letters:—

From the Collector of Coimbatore, to the Secretary to the Board of Revenue, dated 4th March 1868, No. 73.

1. With reference to the orders noted in the margin, I have the honor to report that Thoppia Moodelliar, the proprietor of the Pothanoor Choultry, desires to obtain an endowment for it in land, and I consider that it is deserving of such. I would recommend that the maximum grant of 60 Rupees be sanctioned.

2. As there is no suitable Government waste land available in the neighbourhood, Thoppia Moodelliar requests that a piece of cultivated nunjah land measuring 408½ Goontahs, or Cawnies 4, Goontahs 8½, and paying an assessment of 60 Rupees to Government, held by him on puttah in the name of certain ryots, and which he states he has purchased from them, may be allotted as Inam for the Choultry. I have directed the Tahsildar to ascertain if the alleged purchase is true, and whether the Puttahdars have any objection to the land being assigned as Inam. On receipt of his report, I will address the Board again on the subject.

3. A sketch-plan of the building is herewith transmitted as directed.

ENCLOSURE No. 1.—Sketch-plan.

From the same Officer, dated 12th March 1868, No. 83.

Adverting to paragraph 2 of my letter of the 4th instant, No. 73, the Tahsildar of Coimbatore reports that the alleged purchase by Thoppia Moodelliar, of 408½ Goontahs of land is true, and that the Deed of Sale relating to it has been registered under the provisions of Act XX of 1866. The usual razeenamah for the transfer of the puttah remains to be executed by the former owners, and this will be done when Thoppia Moodelliar returns from Bangalore. Under these circumstances, there is no objection to the land being allotted as Inam for the Chuttrum constructed by him at Pothanoor.

1. Submitted for the orders of Government, with reference to Government Order, dated 10th October 1867, No. 2,386.

2. As the Collector states that there is no suitable Government waste land near the Chuttrum, the Board support his recommendation, that if his inquiries prove the truth of the proprietor's assertion in regard to the 4 Cawnies, 8½ Goontahs of wet land assessed at Rupees 60, now in his occupation, it may be granted in Inam for the benefit of the Choultry.
