No. 5. Read the following Proceedings of the Board of Revenue, dated 21st April 1868, No. 2,931.

Read the following letter from the Collector of Salem, to the Secretary to the Board of Revenue, dated 23rd March 1868, No. 76:—

1. Mr. Woodroffe, my Acting Head Assistant, has forwarded to me a petition from one Tertamalai Chetty, a Shop-keeper at Tripatoor, requesting that one of "Orr's Choultries," situated in Kathawani village, midway between Tripatoor and Uttenghery, may be handed over to him, to be converted into a public and charitable choultry.

2. The building is Government property, and like all other choultries (Orr's) in the district, has no Government endowment for keeping it in repair.

3. Mr. Woodroffe informs me that Tertamalai Chetty engages to put it into thorough repair within six months, and is willing also to dig a well for the use of travellers.

4. The Chetty's application might be acceded to, under certain conditions, and if the Board is pleased to accord sanction for my making over the choultry, I shall have a Muchilika executed, that should, Tertamalai Chetty fail to keep the building in repair, or should he attempt to exclude any particular caste of travellers from using it, the premises will again be taken possession of by Government, and no compensation of any kind will be paid to him for anything he may have done. Further that no part of the building is to be pulled down, or material alterations effected, without the express orders of the Collector.

1. Submitted for the favorable consideration of Government.

2. If Government consent to the transfer, the Board will take care that suitable conditions are made.

No. 6. ORDER THEREON, 1st May 1868, No. 1,185.

Miscellaneous.

The Government sanction the proposed transfer.
