From the Assistant Apothecary in Medical charge, Chetterpore, to the Deputy Inspector General, Indian Medical Department, Waltair, dated Chetterpore, 27th December 1867, No. 94.

Agreeably to instruction conveyed in the Inspector General's Memorandum, No. 4,551, dated 6th December, instant, I visited Ganjam yesterday. There has been a considerable decrease in the number of admission from fever; there are no deaths on record, and the general health of the inhabitants, from what I have seen, appear also to have considerably improved.
