Proceedings of the Madras Government, Revenue Department,
1st May 1868.

Read the following papers:—

No. 21. Proceedings of the Board of Revenue, dated 22nd April 1868, No. 2,963.

Read the following letter from the Superintendent of Stamps, to the Secretary to the Board of Revenue, dated 4th April 1868, No. 6 of 1868-69:—

I have the honor to bring to notice that the Postage Stamps, and Service Postage Stamps, indented for by me so far back as May of last year for 1868-69, and for a reserve stock have not yet commenced to arrive from England. The Right Honorable the Secretary of State intimated, in September last, his having sanctioned compliance with the indents, but no advice has since been received of the supply, or any portion of it having been actually despatched. Since the submission of the indents, I have been obliged to draw largely on the Superintendent of Stamps at Calcutta, and I fear that his stock may not admit of his meeting any further demands from this Presidency in the event of the supplies from England not speedily arriving. The small stock I have now in hand is becoming rapidly exhausted, whilst the opening of additional local depôts for the sale of Postage Stamps in some of our districts, and the introduction of the increased rates of postage on letters sent from India to the United Kingdom have raised, and will still further raise, the demand for Postage Stamps. I, therefore, request that the Government may be addressed in view to their taking the necessary steps, at once, to insure the supply expected from England reaching this office with the least possible delay.

Vide Despatch, dated 14th September 1867, No. 39.

Submitted to Government, with the request that the Home Government may be moved to expedite the supply of the Postage and Service Postage Stamps referred to in the Despatch communicated with Government Order, dated 19th October 1867, No. 2,460, Revenue Department.

No. 22. From the Inspector General of Ordnance and Magazines, to the Secretary to Government, Revenue Department, dated Fort St. George, 25th April 1868, No. 14.

1. I have the honor to forward herewith the Packing Account of Civil Stores per "John Scott," and to request you will be good enough to inform me, to whom the cases therein mentioned are to be made over when received.

2. It is requested that the Packing Account may be returned when no longer required.

No. 23. ORDER THEREON, 1st May 1868, No. 1,193.

Separate Revenue, No. 2.
Stamps.

The Packing Account submitted with the letter from the Inspector General of Ordnance and Magazines above recorded, shews that a portion of the supplies of Postage Stamps promised in the despatch from the Secretary of State dated 14th September 1867, No. 39, has been shipped per "John Scott." The Inspector General will transfer the cases to the Superin-

tendent of Stamps immediately after they are received. Colonel Simpson and the Agent for Government consignments at Madras will be requested to report if they are in possession of any advices of other shipments of postage and service postage stamps from England.
