546	Syed Gulam Hussain.	Rs. 36	E. M. C., dated 5th June 1855, recorded in the Proceedings of the Board of Revenue, dated 4th July 1855, and Proceedings of the Board of Revenue, dated 29th August 1855, No. 2,238.	For the performance of service in the Asar at Najipur, in the town of Arcot.	From 1st April 1866, to 31st December 1867, 1 year and 9 months.	Rs. 63	Syed Gulam Hussain, the holder of this Yeomiah allowance, has at length appeared, after an absence, without leave, of one year and ten months. He states that he has been at Trichinopoly, and afterwards at Madras, for the purpose of prosecuting his studies. He now requests that his allowance may be registered in the name of his brother, Syed Jain-ulab Din, aged 25 years, as he wishes to resume his studies at Madras. He also claims the arrears, and states that, when he left his station about two years ago, he arranged with his relatives, Syed Abdulla and Syed Gulam Dustagheer, for the performance of his service, and that he wrote, soon after reaching Madras, to his uncle's son, Syed Mohodin, on the subject. Syed Gulam Hussain, the service in the Asar was regularly performed by Syed Gulam Dustagheer for six months, and admits that he did so at the requisition of the registered holder Syed Gulam Hussain. During the remaining period of one year and three months, Syed Mohodin performed the service, but states that he did so, because he himself has a personal interest in the performance of the service at the Asar, which is in his house, and not at the requisition of Syed Gulam Hussain, and that consequently the allowance due for that period should be paid to himself. To this Syed Gulam Hussain objects on the ground that the other had no business to perform the service except as his proxy. It however, appears that this Syed Mohodin is a cousin of the registered Yeomiahdar, and had, therefore, an equal interest in the performance of the service. As he has taken up and continued the service when it was being neglected by the other members, the Collector thinks he should get the allowance due for the period of one year and three months he was performing the service. It may, however, be mentioned here that this Syed Mohodin was once himself a Yeomiahdar, drawing an allowance of Rupees 36 per annum, which was discontinued in the year 1860, on his being found guilty of having given false life-certificates. This, however, would not, in the Collector's opinion, affect his claim to draw the arrears of a Service Yeomiah under the circumstances above described.

From the report of the Tahsildar of Arcot, it appears that, during the absence of Syed Gulam Hussain, the service in the Asar was regularly performed by Syed Gulam Dustagheer and Syed Mohodin. Of these, Syed Gulam Dustagheer performed the service for six months, and admits that he did so at the requisition of the registered holder Syed Gulam Hussain. During the remaining period of one year and three months, Syed Mohodin performed the service, but states that he did so, because he himself has a personal interest in the performance of the service at the Asar, which is in his house, and not at the requisition of Syed Gulam Hussain, and that consequently the allowance due for that period should be paid to himself. To this Syed Gulam Hussain objects on the ground that the other had no business to perform the service except as his proxy. It however, appears that this Syed Mohodin is a cousin of the registered Yeomiahdar, and had, therefore, an equal interest in the performance of the service. As he has taken up and continued the service when it was being neglected by the other members, the Collector thinks he should get the allowance due for the period of one year and three months he was performing the service. It may, however, be mentioned here that this Syed Mohodin was once himself a Yeomiahdar, drawing an allowance of Rupees 36 per annum, which was discontinued in the year 1860, on his being found guilty of having given false life-certificates. This, however, would not, in the Collector's opinion, affect his claim to draw the arrears of a Service Yeomiah under the circumstances above described.

The Collector, therefore, recommends that Rupees 45 of the arrears be paid to Syed Mohodin, being the allowance for the period of one year and three months during which he performed the service, and the balance (Rupees 18) to Jain-ulab Din as desired by his brother, the present Yeomiahdar, and further that the Board also record their sanction for registering the allowance in the name of Jain-ulab Din.
