CIVIL WORKS, No. 69.

1. Communicated to the Superintending Engineer of the 5th Division.

2. It is clear from the Proceedings of the Board of Revenue recorded in the foregoing Order of the Revenue Department that the Local Funds of the Salem District cannot bear the cost of bridging the road from Oossoor to Meylur, and as a bridge across the Pennair river on that line is very much required, the Government resolve to sanction the estimate of Rupees 10,900, which was submitted with the Superintending Engineer's letter of the 28th October 1866, No. 160, and, as a special case, to authorize a grant of Rupees 5,000 from the Public Works Reserve under "Communications" to admit of the immediate commencement of the work.
