Secy of the Board of Revenue.

Dated 18th March 1868.

FOR ORDERS.

Mr. Atkinson has been
unfortunate in his reference
to the two deputy collectors
whose salary has of late
been raised, for, between
the unimportance of the headman,
last deputy, (over Mr. Smith's
duties and those discharged
by Mr. A - , there can be no
fair comparison; while
the increase made to the
pay of the deputy (over
bygone) is on a special
ground of a local char-
acter -
he has however, to
consider that, after
service, as it is now
in his own department
is available for him -
to look at the matter
therefore the increase can
be made without any
objection.

Memorial of W. Atkinson
 Dy. of Gen Customs
 for an increase of salary

The post of Dy. of Gen Customs is a position of great importance and responsibility. It is a position which requires a man of high character and ability. It is a position which requires a man who is capable of dealing with the most difficult and delicate questions which arise in the management of the Customs.  present rate of salary.
 on the ground, I think
 the present remuneration
 on his part, of the collector
 and the Dy. of Revenue may
 be accepted & added on to
 the salary. I do not see why
 we should object of paying him
 an additional of W. 100 a
 month.

I am not disposed
 to recommend an
 increase of the salary
 of the Dy. of Gen Customs.
 The duties are very heavy
 & by no means so
 many as those
 which are
 now performed by the
 Dy. of Gen Customs
 in the present position.
