Proceedings of the Madras Government, Marine Department, 29th April 1868.

Read the following papers:—

No. 44. From the Collector of Tanjore, to the Chief Secretary to Government, Fort Saint George; dated Combaconum, 13th March 1868, No. 224.

With reference to the Proceedings of Government, Marine Department, dated 7th February 1868, No. 37, I have the honor to forward, herewith, copy of a letter received from the Salt Deputy Collector in charge of the Sub-Collector's Office, from which it would appear that all the ports in this district in which the amended Boat Rules have been introduced, with the exception of Adrampatam, have competent Registering Officers, either at the ports, or within a distance of five miles therefrom. The port of Adrampatam is eight miles distant from the station of its Registering Officer, and I beg, accordingly, to propose that the Assistant Sea Custom Superintendent of this port should be appointed as its Registering Officer. In the event of the above recommendation being sanctioned, I have no doubt that the requirements of the Boat Rules will be satisfactorily carried out.

From the Deputy Collector for Sub-Collector, to the Collector of Tanjore; dated Negapatam, 3rd March 1868, No. 46.

With reference to your foot-note, appended to the Proceedings of Government, Marine Department, dated 7th February last, No. 37, I have the honor to state that, of the ports of this district, named in the margin, into which the amended Boat Rules have been introduced, the ports of Muttupettai and Adrampatam only require to be noticed with reference to the instructions contained in paragraphs 2 and 3 of the Order of Government above referred to, the rest having for their Registering Officer either the Superintendent, the Conservator, or the Master Attendant located at the spot. Nagore and Negapatam, for which the Master Attendant of Negapatam is the Registering Officer, are within five miles of each other.

Tirumalavasal,
Tranquebar,
Nagore,
Negapatam,
Toputoray,
Muttupettai, and
Adrampatam.

2. The Sea Custom Superintendent of Muttupettai is appointed to be the Registering Officer for that port and Adrampatam. These ports being eight miles from each other, this arrangement is contrary to the wishes of Government. I beg, therefore, to nominate the Assistant Superintendent of Sea Customs at Adrampatam, (an Officer of responsibility at that port, drawing Rupees 30 a month,) to be appointed the Registering Officer of that port. There is every reason to believe that the requirements of the Boat Rules will be satisfactorily attended to by this Officer.

Referred to the Superintendent of Marine for his remarks.

FORT SAINT GEORGE,
19*th March* 1868.

(Signed) C. G. WALKER,
Under Secy. to Govt.

No. 45. From the Superintendent of Marine, to the Chief Secretary to Government, Fort Saint George; dated Madras, 21st April 1868, No. 1501.

I have the honor to return the accompanying correspondence from the Collector of Tanjore, in which he recommends that the Assistant Superintendent of Sea Customs at Adrampatam shall be appointed Registrar of boats at that port, and to state that there appears no objection thereto.

No. 224, 13th March 1868, with enclosure.

2. Adrampatam is only visited by small coasting vessels. In 1866-67 their number amounted to 212 of the aggregate tonnage of 9145, making an average of 43 tons for each. In 1867-68 the tonnage was 11,137, divided among 208 vessels, their average size being of 50 tons.

No. 46. ORDER THEREON, 29th April 1868, No. 128.

The Governor in Council approves and sanctions the appointment of the Assistant Superintendent of Sea Customs at Adrampatam, in the Tanjore District, as Registrar of Boats at that port.
