*Proceedings of the Madras Government, Revenue Department,
8th May 1868.*

No. 189. Read the following Proceedings of the Board of Revenue, dated 15th April 1868, No. 2,753.

Read the following letter from the Acting Sub-Collector in charge of Bellary, to the Secretary to the Board of Revenue, dated 25th February 1868, No. 37:—

In reply to the Proceedings of the Board of Revenue, No. 999, dated 10th February 1868, I have the honor to inform you that a hospital tent is necessary for the Medical Officer attached to this Collectorate. The Medical Officer is an Apothecary. He cannot find a house to stop in at every village to which the Collector goes, and so, if he had no tent, he would be put to much inconvenience, probably in many places having only the shelter of a tree. I think that Government should supply the tent, and not put the Apothecary to so much expense as he would have to incur if he was obliged to furnish it himself.

Submitted to Government, with reference to their Order, dated 11th January 1868, No. 89. The Acting Sub-Collector in charge strongly recommends the issue of a tent to the Apothecary attached to the Collector, but as far as the Board are aware, the system of affording such aid does not appear to exist in any other district.

No. 190. ORDER THEREON, 8th May 1868, No. 1,274.

Miscellaneous.

The Government await the Board's report on the general question of providing Camp equipage for the Medical attendants attached to Collectors, which was referred to them in G. O., No. 770, dated 25th March 1868.
