Proceedings of the Madras Government, Revenue Department.
8th May 1868.

No. 191. Read the following Proceedings of the Board of Revenue, dated 29th April 1868, No. 3,118.

Read the following letter from the Collector of Ganjam, to the Secretary to the Board of Revenue, dated Camp at Berhampore, 24th March 1868, No. 236:—

With reference to the Board's Proceedings of the 9th instant, No. 1,702, I have the honor to request that arrangements may be made for training one of the two lads mentioned by Captain Beddome, for eventual employment in the Forest Department of the Kimedy estate.

---

1. Submitted to Government, with reference to their Order in the Revenue Department, dated 4th January 1868, No. 10.

2. Since receipt of the above Government Order, which was communicated to all Collectors, the Officiating Conservator of Forests in a letter, dated 9th January 1868, suggested, that if the salaries of the two lads available at the Lawrence Asylum, could be met from the Jungle Conservancy Funds in any of the districts, arrangements should be made for the lads joining the department at Nellumboor, about the middle of April 1868, when the season will commence.

3. This letter was circulated, and the Collector of Ganjam now proposes to avail himself of one of the lads for the Kimedy estate, and the Board support his application. They propose, should Government not object, to request Captain Beddome to arrange with the Secretary to the Lawrence Asylum as to the lad's salary and cost of transit to his proposed destination, and to furnish a Memorandum of the expenditure proposed to be incurred for the previous sanction of the Court of Wards.

4. Several Collectors have replied to the proposal alluded to in paragraphs 7 and 8 of the Government Order, dated 5th November 1867, No. 2,618, for establishing a Training School for Forest Subordinates at Nellumboor, and maintaining a certain number of pupils in it at the cost of the Local Funds, for eventual employment under the Collectors in the districts, and the Board will shortly submit a report on the subject to Government.

No. 192. ORDER THEREON, 8th May 1868, No. 1,275.

Miscellaneous.

The Government approve the proposed arrangement.
