*Proceedings of the Madras Government, Revenue Department,
11th May 1868.*

No. 239. Read the following letter from the Secretary to the Government of India, Financial Department, (Expenditure—Land Revenue,) to the Chief Secretary to the Government of Fort St. George, dated Fort William, 20th April 1868, No. 2,191:—

1. I am directed to acknowledge the receipt of your letters, Nos. 2,035 and 2,105, dated 30th August and 7th September 1867, requesting sanction to the following additional expense in the Office and Lithographic Press Establishments of the Superintendent of Revenue Survey, viz.:—

	Per mensem. RS.
An increase in the old Office of the Superintendent in the several branches of Accounts and Correspondence, Examination of Survey Records and Computations, and the Drawing Department	298
A further addition to the Office for the new work of the Demarcation Department	248
Additions to the Lithographic Press	719
Total...	1,265

2. The first item is necessitated by an increase of the number of Survey Parties; the second, which is caused by the transfer of the work of Demarcation from the Settlement to the Survey Department, is met by reductions which have been made in the Office Establishment of the Director of Settlements; the third is required to over-take the largely increased demand for village maps. The several expenses are sanctioned by the Governor General in Council.

3. The deputation of a Deputy or Assistant Superintendent on an extra allowance of Rupees 100 a month, to take charge of the Central Office during a prolonged absence of the Superintendent in the inspection of Survey Parties, is sanctioned as a temporary measure, but with regard to the further proposition, that a like extra allowance should be given when an officer of the department is deputed on some other casual special service, I am to observe that it is not apparent why an officer deputed on any such service should, if it be not more important than his ordinary duties, get more than his usual emoluments.

No. 240. ORDER THEREON, 11th May 1868, No. 1,298.
