*Proceedings of the Madras Government, Revenue Department,
17th January 1868.*

No. 258. Read the following Proceedings of the Board of Revenue, dated 9th January 1868, No. 129:—

Read the following letters:—

From the Acting Collector of Trichinopoly, to the Secretary to the Board of Revenue, dated Sreerungum, 2nd December 1867, No. 337.

Adverting to the Board's Proceedings, dated 26th instant, I have the honor to state that the transfer of Rupees 10,000, under the head of "Repairs, Agricultural," from Tanjore to this district, is, as recommended by the Superintending Engineer, absolutely necessary for the protection of the Cauvery and the Coleroon banks, which are, at certain localities, in a very dangerous state.

From the Collector of Tanjore, to the Secretary to the Board of Revenue, dated Pudukottah, 7th December 1867, No. 237.

With reference to the Board's Proceedings, dated 26th November 1867, No. 7,727, I have the honor to report that out of the allotment of Rupees 1,25,000 for the agricultural repairs of this district for 1867-68, there appears to be a balance of Rupees 22,053 up to date, and that as the sum of Rupees 10,000 can be spared out of this balance without any material detriment to this district, I see no objection to the transfer of the said Rupees 10,000 from the Tanjore to the Trichinopoly District, as proposed by the Superintending Engineer.

The foregoing papers will be submitted to Government, Public Works Department, with reference to their Order, dated 23rd November 1867. The Board are of opinion that the transfer of Rupees 10,000, under the head of "Repairs, Agricultural," may be made from the Tanjore to the Trichinopoly District.

No. 259. ORDER THEREON, 17th January 1868, No. 131.

Irrigation, No. 5.

Ordered to be recorded.
