1. Ordered that the foregoing Statement for 1866 be submitted to Government, with reference to their Order, dated 8th August 1864, No. 1,424.

2. In the Statement submitted with the Board's Proceedings, dated 20th December 1867, No. 8,182, the total number of Yeomiahs on 31st December 1865 is shewn to be 642, whilst in the present Statement it is shewn as 641. The alteration is owing to a mistake made by the Collector of Madras in the first instance.

3. The total amount of the allowances current, on the 31st December 1865, was Rupees 60,407, and on 31st December 1866, Rupees 56,435, or Rupees 3,972 less.

The particulars are given below.

4. The large reduction in the Madras district comprises six commutations, one lapse by death, and one transfer.

5. The Collector of Tanjore states that the one hereditary charitable Yeomiah and five out of the six hereditary service Yeomiahs in his district, have been declared by Government to be only life-grants, but that they are retained under their old designations in order that his present Return may tally with those previously furnished. The Collector will be directed to enter them under the proper heads in his next Return, and note the fact in the column of remarks.

6. The Collectors of the following districts have failed to note and explain in accordance with paragraph 6 of the Board's Proceedings, dated 17th June 1865, No. 3,295, the variations perceptible between their present and former Returns :—

Nellore.—The number of hereditary service pensions has increased from 75 to 47.

North Arcot.—The total number of pensions has increased from 129 to 134.

South Arcot, Trichinopoly, Tinnevelly. } A reduction in the total number from 45 to 40, 23 to 18 and 66 to 62, respectively.

7. The discrepancies in the Returns for 1865, from the Kistna and South Arcot districts, pointed out in paragraph 4 of the Board's Proceedings quoted in paragraph 2 above, have been explained by the Collectors. Mr. Wilson states that of the seven hereditary service Yeomiahs entered in his first Return, three, which had been declared by Government to be for life only, were in the second Return transferred to their proper place, and that the reduction under the head of "Subsistence" is due to the recent death of a Yeomiahdar. Mr. Reade explains that seven *subsistence* grants were erroneously entered as *life service* in the first Return, and that this has been since rectified.

No. 290. ORDER THEREON, 13th May 1868, No. 1,324.

Miscellaneous.

1. The *number* of life-grants for subsistence current on the 31st December 1865 in the South Arcot District, viz. 7, has been omitted in the general Statement.

2. The *difference* between the total amounts of the charitable life-grants in 1865 and 1866 has been entered in the Statement appended to paragraph 3 of the foregoing Proceedings as Rupees 388 (apparently a misprint) instead of Rupees 383.
