Proceedings of the Madras Government, Revenue Department, 13th May 1868.

No. 295. Read the following Proceedings of the Board of Revenue, dated 8th May 1868.

Read the following letter from the Collector of Bellary, to the Acting Secretary to the Board of Revenue, dated Bellary, 1st May 1868, No. 95:—

1. I have the honor to acknowledge receipt of the Order of Government, dated 28th ultimo, No. 1,145, calling upon me to state what amount would be required for deepening and improving the wells in the Hindupur talook.

2. I do not think that assistance for this purpose should be restricted to the Hindupur talook alone. In some other parts of the district it is required just as much as it is there. It is difficult to estimate the exact amount required, but I think Rupees 10,000 would do to begin with, and half of the amount advanced I propose to recover after the harvest, if the season proves favorable. The deficiency of supply in many of the wells is owing, in a great measure, to the peoples' own negligence.

Submitted for information of Government, with recommendation that the sum applied for by Mr. Sullivan should be allotted.

No. 296. ORDER THEREON, 13th May 1868, No. 1,327.

Miscellaneous.

The Government sanction the proposed advance of Rupees 10,000 for deepening and improving wells in the Bellary District, to be recovered to the extent of one-half after harvest, if the season proves favorable.
