No. 322. Read the following Proceedings of the Board of Revenue, dated 8th May 1868.

Read the following letter from the Acting Collector of Nellore, to the Acting Secretary to the Board of Revenue, dated Camp at Krishnapatam, 4th May 1868, No. 1,263 :—

1. I have the honor to report on the state of season, &c., in this district for the week ending 25th April.
2. RAIN.—Slight drizzling in Kasba Nellore.
3. STATE OF CROPS.—As already reported, a large extent of paddy has withered in Gudur and Nellore talooks, which is still in course of inspection. I fear that in Nellore talook alone upwards of 30,000 Rupees will have to be remitted this year on account of Shavy. The crops generally have been harvested throughout the greater part of the district. The cultivation under wells in Ongole and Kanigiri talooks is prospering.
4. PRICES—Have slightly fallen during the week. The following is the comparative statement of the average prices of the past and present week :—

6. CATTLE DISEASE—Prevails in Kandukur talook and also in some other parts. Local reports have been received that Mr. Thacker's medicine is being used with success.
