Read the following letter from the Collector of Bellary, to the Secretary to the Board of Revenue, dated Camp at Anantapur, 21st March 1868, No. 51:—

Adverting to the remark against original work No. 2 in the Supplemental District Road Budget for 1867-68, embodied in the Proceedings of Government, dated 2nd November 1867, No. 2,593, communicated with Board's Proceedings dated 7th idem, I have the honor to forward, herewith, a plan and estimate for the said work, together with copy of Superintending Engineer's docket marginally

noted, which gave cover to the same, and to state that the General Deputy

Collector has been directed to settle compensation for the land taken up on account of the said work.

1. With the foregoing letter the Collector submits, for sanction, plans and estimate amounting to Rupees 8,550, for the formation of a Railway feeder from Madikara to Chippagherry.

2. The Board observe that the estimate is incomplete, as it does not contain any provision for lands required for the road, which omission should be supplied with all possible expedition.

3. It is of great consequence that this work should go on without delay in the present condition of the district. The Board would, therefore, recommend the work for the sanction of Government, and make an allotment from the current year's District Road Fund Reserve.

No. 348. ORDER THEREON, 14th May 1868, No. 1,352.
