Proceedings of the Madras Government, Revenue Department, 15th May 1868.

No. 369. Read the following Proceedings of the Board of Revenue, dated 6th May 1868, No. 3,330.

Read the following letter from the Collector of South Arcot, to the Secretary to the Board of Revenue, dated Circuit Cutcherry at Trikalore, 13th April 1868, No. 89:—

1. Adverting to the Proceedings of the Board, dated 21st January last, No. 459, and the Order of Government thereon, dated 15th February, No. 426, I have the honor to state, that Syed Meer Saib, the founder of the choultry at Cusbah Cullacoorchy, therein referred to, has since relinquished his first design of undertaking the repair of a ruined tank for the better irrigation of the lands assigned to the choultry at his own cost, and he now requests permission to form a new tank at his own cost in the same village of Seroorungoor for the like purpose. The land selected for this tank is an immemorial waste, and the extent amounts to C. 10, As. 9, and P. 3, assessed at Rupees 29-13-4. The Engineer Range Officer has furnished the enclosed certificate, stating that the land proposed to be converted by the Tahsildar into a tank is not fit for cultivation, and that its construction would in no way interfere with any existing works or rights either of Government or private individuals. Captain Howard adds that the ryots of the neighbourhood are favorable to the work, and offer no objection to it.

2. Under these circumstances, I recommend that Syed Meer Saib be permitted to proceed with the work, as it is in accordance with the spirit of the Rules published at page 91 of the Board's Standing Circular Order Book.

Enclosure No. 1.—Certificate.

---

1. The Collector is at liberty to authorize the construction of the proposed tank, subject to the terms of Rule VII in the Board's Standing Order No. 125.

2. A copy of these Proceedings will be submitted to Government, with reference to the concluding remark in Government Order, dated 15th February 1868, No. 426.

No. 370. Order thereon, 15th May 1868, No. 1,363.
