Proceedings of the Madras Government, Revenue Department, 15th May 1868.

No. 379. Read the following Proceedings of the Board of Revenue, dated 4th May 1868, No. 3,244.

Read the following letter from the Collector of Tanjore, to the Secretary to the Board of Revenue, dated Vullum, 18th March 1868, No. 65:—

I have the honor, herewith, to enclose for the approval of the Board and submission to Government for sanction, two estimates with plans, one for constructing masonry works on road No. 47, from Natchiarkovil to Nanillum, and the other for constructing a road from Manamodu to the Coleroon bank at Papagudi. The former amounts to Rupees 4,038, and is entered as No. 12 in Part I of the Local Fund Budget of this district for 1868-69. The latter is intended as a substitute for Item No. 8, namely, forming a road from the Palavar bridge on road No. 41 to the Coleroon at Sedhamalli. The line now recommended is much shorter, and there is also a bandy-track which is much used in the dry weather, while the one originally proposed is not very straight, and passes through an hitherto unused portion of the country; it, moreover, appears that it would cost Rupees 15,000 or 18,000. For these reasons, Captain Oakes prefers the line now proposed, and I beg accordingly to recommend it for substitution in the place of that entered in the Budget.

ENCLOSURES NOS. 1 to 10.—Estimates and plans.

The plans and estimates received with the above letter, amounting in the aggregate to Rupees 10,108, will be submitted for the sanction of Government. The first work appears entered in the current year's Budget as Item No. 133. The second work is in substitution of the Item No. 129, and the Board approve the proposed line for the reasons stated by the Collector.
