*Proceedings of the Madras Government, Revenue Department,
18th May 1868.*

No. 427. Read the following Proceedings of the Board of Revenue, dated 6th May 1868, No. 3,313.

Read the following letter from the Collector of Malabar, to the Secretary to the Board of Revenue, dated on Circuit at Tirtala, 24th March 1868, No. 72 :—

1. Adverting to the correspondence and sanction noted for a Railway Board's Procs., 20th December 1867, No. 8,207. Chuttrum, &c., at the Beypore Railway G. O., 16th December 1867, No. 2,993. Terminus, I have the honor to report that I proposed that a site should be allowed by the Railway, which would have suited the purpose fairly well, (though somewhat confined,) and which I understood the local Railway Officers to approve of.

I now learn from the Agent and Manager that this site cannot be given up for the purpose.

2. From the peculiarly cramped situation of the Beypore Terminus, no other site is available on which it seems to me at all worthwhile to erect a Chuttrum, &c., for to be of any real use, the buildings must be close to the station. It is positive waste of money to build them at any distance.

3. With the prospect of an extension of the rail north at no very distant date, I would beg a reconsideration of the question as to whether the buildings are required at all. If the Railway is extended north, the Chuttrum, &c., at Beypore will be well nigh useless.

1. Submitted for the orders of Government, with reference to their Order marginally quoted by the Collector.

2. The proposed Chuttrum to be of use, must be in close proximity to the Railway station, and as the Railway authorities are in possession of the only site answering this description, and will not give it up, it appears to the Board that the project must, of necessity, be abandoned.

No. 428. ORDER THEREON, 18th May 1868, No. 1,390.
