*Proceedings of the Madras Government, Public Works Department,
13th May 1868.*

No. 332. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Bellary, 5th May 1868, No. 361 :—

1. With reference to your telegram of yesterday, received this morning, I have the honor to inform you that Mr. Bance has been directed to proceed forthwith to Kadri, and that I have requested the Collector to send instructions to meet Mr. Bance at Royachoty. I have also directed Mr. Supervisor Howell, who is in charge of the Nundial Range, (the adjoining one to the Cumbum Range,) to assume charge of the Cumbum Range during the absence of Mr. Bance, in addition to his other duties, as I regret to state that I have received an unsatisfactory report of Mr. Overseer Skipp's conduct, and am only waiting for any explanation he may have to offer before reporting the matter to Government.

2. As regards sending Overseers to Kadri, I beg to state that I am unable to complete my complement of Overseers; in the Madanapally Range each talook has its Overseer; and I have directed Captain Begbie to send, if possible, either the Voilpaul or Madanapally Talook Overseer to assist in looking after the famine works in Kadri.
