*Proceedings of the Madras Government, Public Works Department,
14th May 1868.*

No. 378. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Coonoor, 29th April 1868, No. 24 :—

An existing sluice at the southern end of the Veatil dam being insufficient for the escape of surplus waters of the monsoon, which consequently flood the upper country, I have the honor to submit the accompanying plan and estimate of Rupees 750 for a similar sluice at the north end; and I take this opportunity of requesting that an allotment of Rupees 1,500 be made under the head of "Minor New Works," Agricultural, Malabar, to meet the present and future similar demands during the current year.

P. S.—A similar allotment of Rupees 1,500 is required under the head of Repairs, Agricultural, Malabar, the Budget allotment of Rupees 1,350 having already been exhausted.

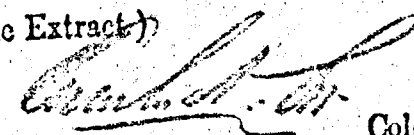

No. 379. ORDER THEREON, 14th May 1868, No. 1,536.

IRRIGATION, No. 24.

1. The estimate of Rupees 750 submitted with this letter, for the construction of a sluice at the northern end of the Veatil dam, is sanctioned, and authority is granted for a sum of Rupees 1,500 being placed at the disposal of the Superintending Engineer of the 7th Division from the Reserve under "Agricultural" to meet the cost of this and similar works that may be required in the Malabar District during the current official year.

2. The grant for Repairs under "Agricultural" will be supplemented hereafter.

(True Extract)

Colonel, R. E.,

Secretary to Government.

To the Superintending Engineer, 7th Division.
" Accountant General.
" Controller of Public Works Accounts.
" Revenue Department.
