Causes of delay & general remarks

1215 23rd May 1868 Nothing to be informed more particularly on what full & sufficient information has not been obtained for permanent District Survey Bill as yet been obtained to enable the subject to be framed & what amount of work is to be required to the call made by Gov^{ts}. likely to be completed yearly.

408 19th February 1868 Report called for as to the exact amount of advance required for by each of Gangam and to the application, thought necessary to be submitted to the Revenue Board.

1384 21st June 1867 Calling for a report whether the Survey Budget provisions for 1866/67 will suffice to meet the charge as well as obtaining the assistance of Government in the manner proposed by the Board of Revenue as reply has been postponed.

309 4th February 1868 Deciding that the question whether a plan Survey will suffice for the full station on the subject at the present moment in considering the subject with the local officer from whom a report had already been called for. It has just been received & the detailed information demanded will shortly be submitted.
