MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following :—

Military despatch from the Right Honorable the Secretary of State for India, India Office, London, 31st March 1868, No. 40; to His Excellency, the Right Honorable the Governor in Council, Fort Saint George.

1. I have considered in Council your letter No. 393 of 21st December last, forwarding a statement of the cost of horses at the Remount Depot at Oosoor, and reports on the Depot Farm, for the year ending 30th April 1866.

2. I observe that you have called attention to the delay in submitting this information.

3. With respect to the cost to Government of the Remounts of the year, it appears that notwithstanding credit is allowed at the high price of Rupees 700 for each horse supplied, and also that the same value is allowed for each of the horses remaining on hand on the 30th April 1866, the transactions of the year resulted in a loss of no less a sum than Rupees 86,331-1-8, a result far from satisfactory.

4. I approve of your resolution that the Farm shall not be viewed as a Model Farm, but merely considered as an adjunct to the Stud.

5. The cost of the farming implements when ascertained should be spread over the number of years during which each may be calculated to last, and the proportion of that cost should be added to the charges of the year.
