No. 477. Read the following letter from the Secretary to the Government of India, Financial Department, to the Chief Secretary to the Government of Fort St. George, dated Fort William, 28th April 1863, No. 2,524:—

With reference to paragraph 10 of my letter No. 1,954, dated 4th April 1868, I am directed to inform you, that charges for the construction of Salt works in the Madras Presidency of a kind not coming within the category of Public Works, though costing more than one thousand Rupees each, should, when executed by Civil Officers, be charged in the accounts and estimates of the *Civil Department* from 1867-63. The expenditure on this account for 1867-68, for which there may be no Budget provision, may be adjusted as a sanctioned excess over the grant.

Ordered that a copy of the above be sent to the Public Works Department, the Accountant General, Madras, and the Comptroller General of Accounts.
