No. 484. Read the following Proceedings of the Board of Revenue, dated 8th May 1868, No. 3,380.

Read the following letter from the Collector of Tanjore, to the Secretary to the Board of Revenue, dated Combaconum, 4th April 1868, No. 83 :—

1. I have the honor to submit for the sanction of Government, the accompanying plans and estimate,* amounting to Rupees 60,300, for forming a road from Kinalore to Katchanam on road No. 35, near Harishandranadi bridge. This road is entered in the Local Fund Budget as No. 123, with an approximate estimate of Rupees 25,000, and an allotment of Rupees 10,000 for the current year's expenditure.

* 1 Plan of line.
2 Plans of masonry works.
1 Abstract estimate and appendices.

2. This is a useful cross-road, and the Mirassidars interested in its formation have not only given up the land required for the road-way, but have also already executed earthwork to the extent of Rupees 5,957 at their own cost. The road, which will be twelve miles and four furlongs long, will tap a large number of paddy-growing villages, and also act as a feeder to the Railway.

3. The line proposed is not a very straight one, and the Mirassidars are opposed to a more direct one being taken through their lands. In consideration, however, of the contribution made by them, and the fact that the road will pass through a larger number of villages, the original line has been retained.

Enclosures Nos. 1 to 4.—Plans and Estimate.

The plans and estimate, amounting to Rupees 60,300, will be submitted for the sanction of Government.
