*Proceedings of the Madras Government, Revenue Department,
20th May 1868.*

No. 486. Read the following Proceedings of the Board of Revenue, dated 7th May 1868, No. 3,353.

Read the following letter from the Collector of Bellary, to the Secretary to the Board of Revenue, dated Camp at Gooliem, Alur talook, 15th April 1868, No. 72:—

* Copy enclosed.

1. From a letter* received from the Deputy Collector employed on general duties, it appears that 10 Acres, 29 Goontas, and 4 Annas, forming a portion of the Inam belonging to the Madigahs of Kulloobhavi in the Adoni talook, were in Fusly 1266 placed under attachment during the inquiry held by the Inam Commissioner.

2. It was subsequently discovered that the attachment was made owing to a mistaken notion of the nature of the tenure on the part of the Inam Commissioner's establishment, and on this being represented to him, he directed the restoration of the Inam to the Madigah office-holders; but during the time it was under attachment, from Fusly 1266 to Fusly 1274, the assessment, at the rate of Rupees 12-1-0 per annum, was collected from Madigahs Goodadagadoo and Yerra Bheemadoo, who cultivated the land in question, and this cess, amounting in the aggregate to Rupees 108-9-0, they now beg may be refunded.

3. The land having been restored to the village service, I have the honor to request that the cess, levied during the period of its attachment, may be refunded to the Madigahs.

From the Deputy Collector of Bellary, to the Collector of Bellary, dated Camp at Alur, 13th April 1868, No. 109.

* To be returned.

1. I beg to enclose a petition* presented by Kulloobhavi Madigah Goodadagadoo and Yerra Bheemadoo complaining that Rupees 108-9-0 have been collected from them on account of certain Inam belonging to them, but placed under Amanat during the Inam inquiry.

† Copies sent herewith.

2. From the reports† of the Adoni Tahsildar, Nos. 16 and 126, dated 10th January and 4th instant, it appears that the land in question is No. 32, Acres 10-29-4, assessed at Rupees 12-1-0, and forms a portion of the Inam annexed to the Madigah service; that one Gandekota Seshambatloo happened to hold it, and died leaving no heirs; that during the Inam inquiry the Inam was, therefore, placed under attachment, and that as the said Madigah Bheemadoo was cultivating the land, its assessment for nine years, from Fusly 1266 to Fusly 1274, being Rupees 108-9-0, at Rupees 12-1-0 a year, was collected by the Tahsildar, and carried to the credit of Government.

3. The above circumstances were reported by the Tahsildar to the Collector, and the matter was brought to the notice of the Inam Commissioner, and agreeably to his letter No. 1,000, dated 14th December 1865, the late Collector, Mr. Hathaway, issued a Takeed to the Adoni talook, No. 109, of the 23rd December 1865, ordering the restoration of the Inam to the Madigah office-holders.

4. The Inam has accordingly been restored, but the sum of Rupees 108-9-0 not having as yet been returned to petitioners from whom it was collected, the petitioners apply for its repayment to them.

5. As the attachment of their Inam share alluded to was declared to be a mistake, and the land has been re-annexed to the service, I beg to recommend that the sum of Rupees 108-9-0 be

repaid to the Madigah office-holders, on whose account it was collected from one of the petitioners, Madigah Yerra Bheemadoo.

G. The said sum is reported to have been entered in the talook account current for the month of July 1865, under the head "Miscellaneous."

Submitted to Government, with the Board's recommendation that sanction may be granted for the refund of Rupees 103-9-0, as the collection was made more than two years ago.
