Proceedings of the Madras Government, Revenue Department, 22nd May 1868.

No. 533. Read the following Proceedings of the Board of Revenue, dated 15th May 1868, No. 3,582.

Read the following letter from the Collector of Coimbatore, to the Secretary to the Board of Revenue, dated Ootacamund, 23rd April 1868, No. 122:—

1. With reference to the Board's Standing Order, No. 19-1, dated 18th November 1867, I have the honor to forward copy of a letter from the Acting Vice-President of the Coonoor Municipal Commission, dated 6th instant, No. 32, applying for a piece of Government waste land for the construction of a Slaughter-house at Coonoor, and to request that the sanction of Government may be obtained for the transfer of the land to the Municipality.

2. A rough sketch of the proposed site, with its surroundings, is herewith submitted.

From Captain C. J. RICHARDS, Acting Vice-President, to the President of the Coonoor Municipal Commission, Ootacamund, dated 6th April 1868, No. 32.

A Slaughter-house being considered required for Coonoor, and no suitable place being available except the shola beneath Coonoor bridge, the Municipal Commissioners request you will obtain the sanction of Government to their using a portion of such shola for that purpose.

ENCLOSURE.—Rough Sketch.

Recommended for the sanction of Government. The Collector will be directed to take care that the Slaughter-house is so placed as not to prove an eyesore to travellers, and also that its situation with reference to the road is such that it will not become a nuisance.

No. 534. ORDER THEREON, 22nd May 1868, No. 1,438.

Miscellaneous.

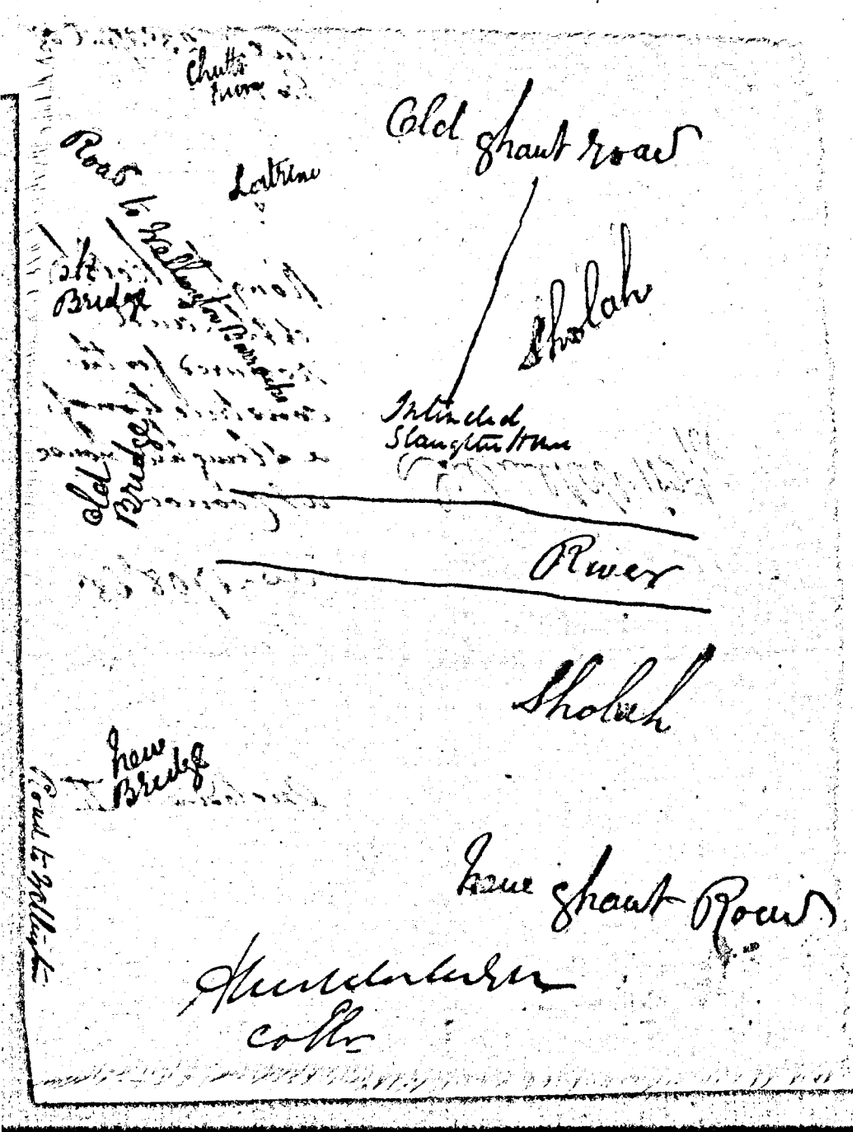

From the sketch of the proposed site and from their knowledge of the ground, the Government cannot but suppose that the Slaughter-house if placed on the spot applied for, must prove an offence to every one crossing the bridge or passing along the new ghaut road. They desire to receive further information from the Collector on this subject, and to know whether it is certainly the case that no other site can be selected in a less prominent position.

Pr. 1438.

From the state of the proposed site of town the knowledge of the ground. The Govt. cannot but suppose that the slaughter houses applied for much [illegible] any one covering the bridge or passing along the thoroughfare. They desire to receive further information from the Board on this subject. It seems likely it is certainly the case that no other site can be selected in a less prominent position - Ltr 22nd May 68
