Proceedings of the Madras Government, Revenue Department, 23rd May 1868.

No. 566. Read the following Proceedings of the Board of Revenue, dated 12th May 1868, No. 3,490.

Read the following letter from the Collector of the Kistna District, to the Acting Secretary to the Board of Revenue, dated Masulipatam, 23rd April 1868, No. 127:—

1. I have the honor to request the sanction of the Board to assigning six acres of unoccupied and unassessed waste land near Chinnaganjam as village site, for the construction of a hamlet by certain individuals who now reside in Pullypollem, a hamlet of Chinnaganjam. I have inspected the hamlet in question, and find that their assertion to the effect that the ground is so low as to be liable to flood in the rains and at high-tides, and that it is isolated by a tidal creek, is correct. The only raised piece of ground is barely sufficient for the huts of the fishermen and shepherds who desire to remain.

2. The new site applied for is situated in a sandy ridge not far from the salt-pans, and the applicants will take up a portion of the adjoining land for cultivation. The salt authorities do not object to the arrangement. The applicants are seventeen in number. I propose to assign a quarter of an acre to each = $4\frac{1}{4}$ acres; the remaining $1\frac{3}{4}$ acres will be available for roads, &c.

Submitted for the sanction of Government.

No. 567. ORDER THEREON, 23rd May 1868, No. 1,453.
