Proceedings of the Madras Government, Judicial Department,
19th May 1868.

No. 231. Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Madras, 7th May 1868, No. 25.

When visiting the Rajahmundry Central Jail in February I found that none of the land beyond the walls had been made over to the Jail, and I therefore addressed the Collector on the subject, with the view of ascertaining what steps should be taken in order to obtain possession. The reply of that officer is herewith forwarded.

2. The land surrounding the Jail is all waste and belongs to Government, with the exception of about 8 acres at the northern angle, which is private property, but can be purchased for 250 Rupees. There is an annual assessment thereon, amounting to Rupees 6-9-0.

3. The ground which I propose should be made over is that shown in the accompanying plan, as contained within the letters A, B, C, D. It is bounded on three sides by roads, and on the fourth by an imaginary line drawn at the distance of 200 yards from the eastern face of the Jail. It is not absolutely necessary that the 8 acres of private property should be purchased at present, as there is no habitation thereon, nor is it being made use of in any objectionable manner, but it is so situated that I think it would be well to buy it at once.

From the Acting Sub-Collector in Charge, Godavery District, to the Inspector General of Jails, Madras; dated Cocanada, 30th April 1868, No. 112.

With reference to your letter of the 11th February 1868, No. 1827, and the plan which accompanied it, I have the honor to inform you that you must apply to, and obtain the sanction of, Government for the waste land round the Central Jail at Rajahmundry. The extent of the Zirayati

47 Cashewnut trees.
1 Gooseberry tree.
11 Mango trees.
800 Palmyra trees (large and small.)

(not Inam) land, the property of a private individual, is 8 acres and 43 cents. The trees standing on it are as mentioned in the margin.

2. The owner of the land agrees to sell the ground and trees for Rupees 250, and you will have to apply to Government for remission of the annual assessment thereon, Rupees 6-9-0.

No. 232. ORDER THEREON, 19th May 1868, No. 829.

The Governor in Council sanctions the purchase of the land stated by the Inspector General of Jails to be a necessary addition to the Central Jail under construction at Rajahmundry.

2. Orders will be issued in the Public Works Department for the provision of the necessary funds.

3. The question of the remission of the annual assessment will be considered in the Revenue Department.
