*Proceedings of the Madras Government, Public Works Department,
22nd May 1868.*

Read the following papers:—

No. 545. Proceedings of the Madras Government in the Revenue Department.

Authorizing the Collector of Nellore to sanction applications for aid in deepening or sinking wells to the extent of Rupees 5,000, and referring to the Public Works Department the proposal to assign a sum of Rupees 15,000 from the Imperial Public Works grant to the Nellore and Dorenal road. (Here enter 7th May 1868, No. 1,257.)

No. 546. From the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Masulipatam, 4th May 1868, No. 23.

1. With reference to G. O., No. 1,327, dated 30th ultimo, paragraph 2, and in continuation of my statement of incomplete works submitted on the 23rd idem, I have the honor to request the sanction of Government for an allotment of 15,000 Rupees from the Reserve grant for construction of Nellore and Dorenal road during the current year.

2. I have further the honor to request that the two Surveys of the above road, forwarded with my letter No. 92, dated 20th September 1867, may be returned for record in my office, if no longer required in Government Office.

No. 547. ORDER THEREON, 22nd May 1868, No. 1,620.

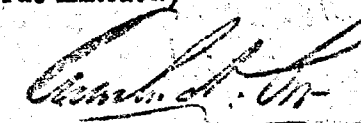

CIVIL WORKS, No. 59.

1. Ordered that the foregoing Proceedings of Government in the Revenue Department be communicated to the

Superintending Engineer of the 2nd Division.

2. The sum remaining to the credit of the Reserve under "Communications" being only Rupees 33,850, the Government regret that it is absolutely impossible, with due regard to the requirements of numerous other incomplete works for which provision has yet to be made, to appropriate so large a sum as Rupees 15,000 from that source to the Nellore and Dorenal road, but if the Superintending Engineer of the 2nd Division can provide the necessary funds by transfer, he is authorized to proceed with the work.
