Proceedings of the Madras Government, Revenue Department, 29th May 1868.

No. 675. Read the following Proceedings of the Board of Revenue, dated 18th May 1868, No. 3,675.

Read the following letter from the Collector of Coimbatore, to the Secretary to the Board of Revenue, dated Ootacamund, 18th April 1868, No. 115 :—

1. At Ootacamund there are two Government chuttrums, one in the Agraharam or Brahmins' lines used by caste travellers, and the other in the bazaar for the accommodation of coolies and other poor travellers. The former building has an establishment of servants to look after it, under the sanction of Government, dated 26th September 1850, communicated in the Board's Proceedings of the 14th October 1850. The latter has none, and it often becomes dilapidated. It was lately put into thorough repair by the Public Works Department, at an estimated cost of Rupees 1,105, from the District Road Fund, and requires some one to take care of it.

2. At Kaity, on the old road from Ootacamund to Coonoor, there was a chuttrum, and a sweeper was allowed to it on two Rupees per month, under the sanction of Government, dated 24th January 1849, No. 28, Department of Public Works. This chuttrum fell to ruins many years ago, and the sweeper's services were discontinued. His pay comes under the head of stoppage. I propose that this allowance of two Rupees be transferred to the coolies' chuttrum in the bazaar at Ootacamund above alluded to, for the employment in it of a sweeper, and request sanction to this arrangement. Similar transfers have been previously sanctioned in the case of Yellanully and Seegoor chuttrums.—*Vide* Government Order, 6th March 1866, No. 573, communicated in the Board's Proceedings of the 12th idem, No. 1,697.

Submitted to Government, with the Board's recommendation that the proposed transfer be sanctioned.
