The Inam lands herein mentioned were taken, ten years ago, for the Mantralamma Kanama Pass. The delay in applying for fresh lands in exchange is attributable to the neglect, on the part of the Inamdars, in making their applications. The lands now recommended to be given in exchange are portions of fields which have not yet come under the operation of the Survey Department. The application will be made to the Deputy Director of Revenue Settlement to separate them from Government fields, and to enter them as separate numbers. The lands applied for to be given in exchange bear the same assessment as those which were taken from the Inamdars.

The Collector is requested to report how it happens that the value of the land proposed to be given is Rupees 1-4-0, and the assessment Rupees 2-12-0. The latter must, of course, be below the former, or the land would be left waste as it would be cultivated at a heavy loss.

No. 32. Proceedings of the Board of Revenue, dated 19th May 1868, No. 3,699.

Read the following papers :—

Board's Proceedings, dated 3rd January 1868, No. 7.

Letter from the Collector of Kurnool, to the Acting Secretary to the Board of Revenue, dated 23rd April 1868, No. 150.

1. In reply to the Board's Proceedings, No. 7, dated 3rd January 1868, I have the honor to report that the actual rent received by the Inamdars was only Rupees 1-4-0, although nominal assessment of the Inam was Rupees 2-12-0.

2. The ryot tenants will not improve the land, fearing that if they did, the Inamdars would raise the rent, and transfer the holding to others.

Ordered that the Collector's statement, contained in the foregoing Proceedings of the Board, be submitted for the sanction of Government, the exchanges proposed therein being for Inam lands taken by Government for the Mantralamma Kanama Pass.

No. 33. ORDER THEREON, 2nd June 1868, No. 1,524.

Miscellaneous. The exchange is sanctioned.
