Item 5.—Three forest tracts in this District (Tinnevelly), viz., Alwarcoorchy, Paupanassum, and Kalacad, have recently been transferred from the Revenue to the Forest Department. These tracts, with those of Wartrap and Vasadevanalur, hitherto under the Madura Overseer, were placed in October 1867 under a first class Overseer, the range being a very extensive one.

This arrangement, however, has since been superseded by another, whereby the Tinnevelly and Madura forests have been united into one range, under an Officer with an Overseer for each of the two Districts on reduced salaries (G. O. 18th February 1868, No. 451). Details of this arrangement will be reported hereafter. Item 6.—Dr. Cleghorn, the Conservator, after a visit to Cuddapah in September last, stated that he had noticed the rapid destruction of the jungles to meet the Railway consumption, and recommended this addition to the establishment to ensure their due conservation. The net revenue of the district for the last five years amounted to Rupees 85,609. The original scale of 1862 provided for an Overseer for this district on Rupees 90, but his services were afterwards dispensed with.
