*Proceedings of the Madras Government, Revenue Department,*
*3rd June* 1868.

No. 55. Read the following Proceedings of the Board of Revenue, dated 27th May 1868:—

Read Proceedings of the Madras Government, Revenue Department, dated 7th May 1868, No. 1,259.

1. The Board are under the impression that a portion of the Collector's letter has escaped the notice of Government.

2. In their present order the Government observe, that even if the Collector's proposal to give the building sites on the Medaline to the Cutcherry servants on payment of twenty-five years' quit-rent were adopted, there would be no security that his object would be obtained, as the grantees could not be prevented from disposing of the land afterwards, if a better price were offered. But the Collector represents the Cutcherry servants as being extremely anxious to build their own residences on these sites, and if this expressed intention does not appear to the Government sufficiently reliable, there can be no objection, the Board think, in stipulating that the land will be granted on the terms proposed by the Collector, to such of the public servants as may formally undertake to build their own dwellings on the sites thus acquired.

No. 56. ORDER THEREON, 3rd June 1868, No. 1,536.

Land Revenue.

The Government will permit the assignment of the land in question to the Cutcherry servants on payment of the redemption of the assessment on the house-sites, on the condition of their binding themselves in writing to erect dwelling houses for their own occupation on the land.
