No. 93. Read the following Proceedings of the Board of Revenue, dated 22nd May 1868, No. 3,786.

Read the following letter from the Collector of Coimbatore, to the Secretary to the Board of Revenue, dated Ootacamund, 7th April 1868, No. 104 :—

With reference to the Proceedings of Government and their Order thereon, dated 7th October 1867, No. 3,107, Department of Public Works, sanctioning the construction of a latrine near the Talook Cutcherry at Ootacamund, at an estimated cost of Rupees 370, I have the honor to report that the latrine in question has been completed and made over to the Revenue Department, by the Executive Engineer of the Neilgherry Range. It is now used by the Cutcherry officials, and by the people resorting to the office on business, and it is necessary that a Toty should be employed to clean it every day. I would, therefore, beg to recommend that the sanction of Government may be obtained for the employment of a Toty on a monthly pay of 5 Rupees. If this cannot be sanctioned as an addition to the permanent establishment of the talook, I request that the Board of Revenue will allow me to charge the Toty's pay in the monthly contingent bill.

Submitted to Government, with the Board's recommendation that the employment of a Toty be sanctioned, on a monthly salary of Rupees 5, as a temporary measure for the present, to clean the latrine near the Talook Cutcherry at Ootacamund. The charge can be met from the provision in the Budget of 1868-69, for Temporary Establishments, under 5, Land Revenue.

No. 94. ORDER THEREON, 4th June 1868, No. 1,555.
