Proceedings of the Madras Government, Revenue Department, 5th June 1868.

No. 105. Read the following Proceedings of the Board of Revenue, dated 27th May 1868, No. 3,908 :—

Read the following letter from the Acting Collector of Nellore, to the Secretary to Government, Revenue Department, dated Camp at Allur, in Nellore Talook, 18th February 1868, No. 484.

1. I have the honor to acknowledge receipt of the Proceedings of Government, dated 31st January 1868, No. 265, Miscellaneous, calling on me to offer any remarks I wish on the Board's proposal to station the Head Assistant at Nayadupett, and the Deputy Collector at Kaligiri.

2. Hitherto the Head Assistant has had the revenue charge of the Kavali and Udayagiri Talooks, and the Magisterial charge of Kavali, Udayagiri, and Atmakur.

Talooks.	Area in miles.	Number of villages.	Population.	Revenue in 1276.
				Rs.
Kavali	598	53	65,336	1,60,708
Udayagiri	862	62	91,583	69,677
Atmakur	500	102	90,771	2,39,059

3. The Deputy Collector has been stationed at Nayadupett, in the Zemindary of Vencatagherry, in Magisterial charge of the Zemindary tracts of Vencatagherry and Polur, with the revenue and Magisterial charge of the Rapur Talook, and the Magisterial charge of Gudoor Talook.

Talooks.	Area in miles.	Number of villages.	Population.	Revenue in 1276.
				Rs.
Rapur...	644	90	52,268	1,25,580
Gudoor...	913	124	1,19,721	3,42,812
Vencatagherry...	456	306	46,305	.....
Poluru...	442	126	43,012	.....

4. If the Head Assistant was placed at Nayadupett, he would have the revenue charge of Gudoor also. This is an important talook, and Mr Dykes's opinion was, I believe, that it should be retained under the Collector's own management. The Sarvapally project is now in course of execution, which will give a large increase of revenue, and the extension of the East Coast Canal from Dugarazupatnam to Krishnapatnam is also in this talook.

5. It would be desirable that the Head Assistant should be stationed in a Government talook, rather than at a Zemindary village like Nayadupett. If he is to have the revenue charge of Gudoor and Rapur, Gudoor would be preferable as a station ; Rapur is deadly feverish ; Kaligiri is certainly out of the way ; and to place him at a town on the trunk road like Gudoor would be better.

6. In any arrangement it will be necessary to build new Cutcherries for both Head Assistant and Deputy Collector, with Sub-Jails attached, and the Head Assistant will also have to build a house for himself.

Proceedings of the Madras Government, Revenue Department, 5th June 1868.

Referred to the Board of Revenue, for any remarks they may wish to offer.

(Signed) W. HUDLESTON,
Secretary to Government.

16*th April* 1868.

---

1. The Board approve of the selection of Gudoor, as head-quarters for the Head Assistant, in preference to any of the other places suggested.

2. They would recommend that it be designated as the station of the Head Assistant, who should have charge of the Gudoor and Rapur Talooks, (Magisterial and ~~Judicial~~ Revenue,) with the Zemindaries of Polur and Vencatagherry.

3. The carrying out of the change would have to be postponed till accommodation is provided at Gudoor, for the residence and office of the Head Assistant.

No. 106. ORDER THEREON, 5th June 1868, No. 1,561.

Miscellaneous.

1. The Government approve and sanction the selection of Gudoor as the head-quarters station of the Head Assistant Collector of Nellore.

2. The Collector will take the necessary steps to obtain a plan and estimate for the office building.
