Proceedings of the Madras Government, Revenue Department,
6th June 1868.

No. 152. Read the following Proceedings of the Board of Revenue, dated 23rd May 1868, No. 3,832.

Read the following letter from the Collector of South Arcot, to the Secretary to the Board of Revenue, dated Trichalore, 20th April 1868, No. 95:—

* Dated 16th April 1868, No. 23. I have the honor to forward copy of a letter* from the Superintending Engineer, 5th Division, together with an estimate of Rupees 5,560, for constructing, out of the Local Funds, a road from the 120th mile of Trunk Road No. 8, near Oolundoorpett, to join the 22nd mile of the road from Cuddalore to Trunk Road No. 8, near Veerapermal, through the villages of Cullacoorchy, Sendanadoo, Marudoor, &c., and to request that the sanction of Government may be obtained for the execution of the work.

From the Superintending Engineer, 5th Division, to the Collector of South Arcot, dated Cuddalore, 16th April 1868, No. 23.

1. I have the honor to forward, for your counter-signature, if you approve it, and submission to the Board of Revenue, an estimate of Rupees 5,560 for constructing, out of the Local Funds, a road from the 120th mile of Trunk Road No. 8, near Oolundoorpett, to join the 22nd mile of the road from Cuddalore to Trunk Road No. 8, near Veerapermal, through the villages of Cullacoorchy, Sendanadoo, Marudoor, &c.

2. The length of the road is eleven miles and 924 yards. The several villages through or by which the road will pass are now completely isolated from all communication with the said two roads, and the formation of the proposed road will, therefore, prove most useful to them. The villagers interested have several times applied for the road.

ENCLOSURE.—Estimate.

1. The estimate, amounting to Rupees 5,560, received with the foregoing letter, will be submitted for the sanction of Government.

2. The work is not provided in the current year's District Road Fund Budget, neither has the Collector pointed out the source from which the cost of the work can be met. In the absence of information on this point, the Board direct the Collector to include the work in the list of incomplete works, called for in paragraph 8 of their Proceedings, dated 16th March 1868, No. 1,897, with such an allotment as is likely to be spent on it during the current official year. Should work be required in the neighbourhood for employment of able-bodied poor, the work can be commenced in anticipation of sanction.
