With reference to your letters, Nos. 10 and 11, dated 14th and 20th February last, I have the honor to inform you that the Postmaster General considers it would be an improvement to extend the district post line from Colligal to Malingherry as far as Narasipoorum, but that it is for the Collector to apply for sanction to the Revenue Board.

Submitted to Government, with the Board's recommendation that the employment of two additional runners at 5 Rupees each per month on the line from Colligal to Narasipoorum in Mysore be sanctioned. The charge can be met from the savings to be effected by the re-distribution of the District Post Establishment.

Proceedings of the Madras Government, Revenue Department, 8th June 1868.

No. 189. Read the following Proceedings of the Board of Revenue, dated 22nd May 1868, No. 3,793:—

Read the following letter from the Collector of Coimbatore, to the Secretary to the Board of Revenue, dated Ootacamund, 17th April 1868, No. 112.

1. In his Arzi of the 25th January 1868, the Tahsildar of Colligal reported that the Talook Cutcherry at Talacad in Mysore was to be transferred to Narasipoorum where a new Cutcherry had been built, and requested orders for the employment of two additional runners to convey the mail from Colligal to Narasipoorum. This subject was at once communicated to the Inspecting Postmaster of Ootacamund Division, and he now informs me that "the Postmaster General considers it would "be an improvement to extend the district post line from Colligal to Malingherry "as far as Narasipoorum; but that it is for the Collector to apply for sanction to the "Revenue Board."

2. Besides the District Post Office there is an experimental regular Post Office at Colligal. There is only one runner attached to the district office, who has been conveying the mails of both offices from Colligal to Talacad, six miles. As the Talook Cutcherry at the latter place is now removed to Narasipoorum, fifteen miles from Colligal, it is necessary that two additional runners should be employed at 5 Rupees each per mensem, and I request the Board will be good enough to obtain the sanction of Government to this arrangement. The Board are aware that this is the only line through which the Colligal tappal is sent to Coimbatore and other places.

3. Copy of correspondence between this office and the Inspecting Postmaster on the subject is herewith transmitted.

From the Sub-Collector in charge of Coimbatore, to the Inspecting Postmaster, Ootacamund Division, dated 14th February 1868, No. 10.

1. With reference to the accompanying translation of an Arzi from the Tahsildar of Colligal, dated 25th ultimo, No. 13, I have the honor to request you will be good enough to inform me whether you have received a report from the Deputy Postmaster of Colligal on the subject alluded to, and if so, what measures have been adopted for the employment of additional runners for conveying the mail between Colligal and Narasipoorum.

2. An early reply is desirable. The subject is one of great importance, as the punctual despatch to the Accountant General's office of the monthly Treasury accounts of this office depends upon the timely arrival of the Colligal mail.

Translation of an Arzi from the Tahsildar of Colligal, to the Collector of Coimbatore, dated 25th January 1868, No. 13.

The mail from this talook has hitherto been sent to the Talacad Talook Post Office, and a single runner was employed for conveying the mail. Although a regular Post Office has been opened here, the same tappal runner still conveys the mail. The Talacad Tahsildar's Cutcherry is likely to be removed within the end of this month to Narasipoorum, which is fifteen miles distant from Colligal, and where a new Talook Cutcherry has been now built. I wrote to the Tahsildar of Talacad on the subject, and he informs me in reply that the present runner should convey the mail as far as Malingherry, and that two additional runners should be employed between that place and Narasipoorum. His original Yadast is herewith sent. The Deputy Postmaster here says

Submitted to Government, with the Board's recommendation that the employment of two additional runners, at 5 Rupees each per month, on the line from Colligal to Narasipoorum in Mysore be sanctioned. The charge can be met from the savings to be effected by the re-distribution of the District Post Establishment.
