

I Michael Henderson Funnell Surgeon, Medical  
Officer. Cotacumand do hereby Certify on  
behalf of Brooke Cunliffe Leggett Deputy  
Collector of Salem, is in a bad state of  
health; and I sincerely declare that according  
to the best of my judgment a further  
change of air is essentially necessary  
to his recovery and that the Circumstances  
of his Case are such as to render further  
leave of absence for the period of two months  
more than highly desirable

Medical Officer  
Pithavari

Mr. B. L. Leggett. at 27-2. 31

Depy. Collector of Taxes.

Resident in India. 2. 10. 23

Temperament. Bilious

State of body. Temperate

August 15th. Mr. Leggett has  
been up here for some little time  
and occasionally consulted me  
for Diarrhoea, loss of appetite and  
pain over the Abdomen. He has  
taken Astringents Mineral Acids  
with bitter infusions and oc-  
casional alteratives; he has  
improved, but is not so well  
as he might be, owing very  
probably to the very inclement  
weather (rain, mist and wind)  
we have had during the last  
few weeks. I am of opinion  
the original leave granted to  
him, 30 days, was not suffi-  
ciently long and that fairly to  
reestablish his health to render  
him effective for duty again  
in the plains, he should have  
had 3 months. I have accordingly  
recommended him an extension  
of 60 days.
