*Proceedings of the Madras Government, Revenue Department,
9th June 1868.*

No. 215. Read the following letter from the Accountant General, Madras, to the Secretary to Government, Revenue Department, dated Fort St. George, 5th June 1868, No. 63 :—

1. With reference to paragraph 5 of the Order of Government, No. 220, dated 27th January last, I have the honor to inquire from what date the six months should be counted, during which the old rates of pay were to be continued to such of the servants as were transferred from the Collector's to the Revenue Settlement Department in Nellore, under the Orders of Government, No. 2,564, dated the 31st October 1867.

2. It was thought by this department that the six months should be calculated from the date on which the transfer was made. The Director of Revenue Settlement states that he is not aware of the exact date when the transfer took place, but he considers it must have been in the first week of November last. He does not, however, hold that Government intended the period to count from a date prior to the issue of their Order, allowing the former rates of pay to continue, and has requested that the point may be referred for the orders of Government, which are accordingly solicited.

No. 216. ORDER THEREON, 9th June 1868, No. 1,609.

Land Revenue.

The period of six months allowed by the G. O. of 27th January 1868 will count from that date.

Official Memorandum from the Director
of Revenue Settlements to the Offg. Examiner of
Claims, dated 23rd May 1868 N^o 611.

The Director of Revenue Settlements
has the honor to request the Offg. Examiner of Claims
to state the date from which, in his opinion, the
six months alluded to in para 4 of the order of
Government, dated 27th January last N^o 220, is
count.

This

Official Memorandum from the Deputy Accountant
General to the Director of Revenue Settlements
dated 27th May 1868 N^o 1012.

Vide your official Memorandum,
N^o 611 dated 23rd Instant, to the address of the
Examiner of Claims.

States that the 6 months will
count from the date the Establishment was
transferred from the Collector to the Director
of Revenue Settlements. This date should be
intimated to this Department. Requests that
the Director of Revenue Settlements will observe
that.

that on questions relating to other than Presi-
dency salaries, the undersigned is the Officer to
whom to apply for information.

Letter from the Director of Revenue
Settlements to the Deputy Accountant General,
dated 3rd June 1868 N^o 677.

Referring to your Official Memo-
randum of the 27th ultimo N^o 1013, I have the
honour to state that the Settlement establish-
ments formerly under the Collector of Nellore
much he held to have been transferred to
this Department from the date of the receipt
by the Collector, of G. O. 31st October 1867 N^o
2564. I am not acquainted with the exact
day, but as the order in question was despatched
by the Board of Revenue on the 6th November;
it doubtless reached Nellore within a day
or two afterwards. If the 6 months alluded
to in para 14 of the G. O. count from the
first week in November, they have already
expired, and the servants who have been in
receipt of the higher rates, will be liable
to retrenchment for the excess sums which they
will

will have drawn for part of last month. As
however, I do not think it was the intention of
Government that the 6 months named in para
14 of their Order, should begin to count from a
date prior to its issue, and para 5 supports
this view, I request you will be good enough
to refer the question for their orders.

(True Copies).

Director of Revenue Settlements.

The period of 8
months allowed by the
