*Proceedings of the Madras Government, Revenue Department,
9th June 1868.*

No. 217. Read the following letter from the Honorable C. PELLY, Member of the Board of Revenue, to the Secretary to Government, Revenue Department, Fort St. George, dated Madras, 23rd August 1864, No. 1,741 :—

With reference to the Proceedings of Government, dated 14th May 1864, No. 829, desiring me to submit a statement shewing the available assets in the Sub-Division of the Godavery District, for which the proposed establishment is to be

which the required information is given. It

It will be seen from the enclosure to this letter that the cost of the present establishments amounts to Rupees 51,629-15-5, as particularized in the margin, the whole of which will not be available to meet the cost of the revised Revenue Establishment alone, which amounts to Rupees 67,440. The only amount that will be available to meet this charge is the enfranchised assessment on Service Inams, and the cash payments made from the Treasury, both which amount to Rupees 36,733-0-2, thus leaving a deficiency of Rupees 30,706-15-10, to be met from general funds, or by a deduction from the beriz, or by a Fee Cess. A Fee Cess at the highest rate, $6\frac{1}{4}$ per cent., on a revenue of 10,79,000 Rupees would produce a sum of Rupees 67,443-15-2, and a Cess of 3 per cent. would suffice to meet the estimated deficiency in the Village Revenue Establishment.
