*Proceedings of the Madras Government, Revenue Department,
9th June 1868.*

No. 221. Read the following Proceedings of the Board of Revenue, dated 29th May 1868, No. 3,991:—

Read the following letter from the Acting Collector of Trichinopoly, to the Acting Secretary to the Board of Revenue, dated 30th April 1868, No. 80.

1. I have the honor to state, for the information of the Board, that the village site in the Cusbah station of Parembalur, consisting of Acres 35, is so much overcrowded that it is quite insufficient to accommodate the increasing population of the place.

2. The Arrealur Moonsiff's Court has lately been transferred to Parembalur from Wodiarpolliem. The establishment of that Court amounts to about sixty, and they experience great inconvenience from want of houses or site to build them.

3. I quite agree with the opinion expressed by my predecessor, Mr. Vans Agnew, and the Deputy Collector in charge of that talook, that it is indispensably necessary to extend the present Nattam, and I beg accordingly to recommend

Dry Acres 7-1. that the marginal assessed area lying contiguous thereto be added to the same, the assessment fixed thereon, namely, Rupees 20-15-0, being written off the accounts.

4. The above area is in the occupation of ryots, many of whom are unwilling to give it up on any terms. I shall separately address the Board in due form, for the purpose of taking possession of it under Act No. VI. of 1857.

1. Submitted for the orders of Government.
2. The Board approve of the Acting Collector's proposal.

No. 222. ORDER THEREON, 9th June 1868, No. 1,612.

Miscellaneous.

1. The Government approve the proposed extension of the Parembalur village site, and await the Collector's application for permission to take the occupied land under the Act.

2. He will take care that the additional extent of land is properly laid out for building sites.

Secretary to Government.
